

SCITEC[®]
ESSENTIALS

Scientific studies have found that oxidative stress caused by free radicals may be involved in the premature aging of cells. Vitamin E contributes to the protection of cells from oxidative stress*.

*This statement has been scientifically proven by the European Food Safety Authority (EFSA) and authorized by the European Commission (EC).

Warnings: KEEP OUT OF REACH OF CHILDREN! Don't exceed the recommended daily dosage. Use this product in conjunction with food as part of a healthy, balanced diet, not as a substitute for such.

Storage conditions: Store in dark and in a cool, dry place. Heat and sunlight may damage the bottle! Heat, humidity, and sunlight could cause the softgel capsules to stick together but this doesn't affect the efficacy of the product! Variations and changes in color may occur.

Best before end: see on packaging. (MM/YYYY)

Batch number: see on packaging.

ANTI-OXIDANT

VITAMIN E
